

Valley Day Preschool 2011 Summer Calendar

Summer

Welcome to our Valley Day Preschool Summer Program. As you can tell from our calendar, we have many exciting events planned. Each week has a special theme, activities, crafts, chapels, water days and much more. Please remember to check with your teacher regarding your snack/sharing days as well as what to bring on our special days.

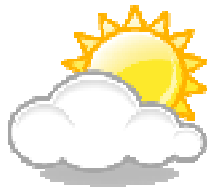

On water days, please have your children wear their bathing suits under their clothes, with sunscreen already applied, and an extra change of clothing for all day students. Because the hot days are frequent during the summer, any day is a potential day for water play.

If you have any questions, please feel free to call.
Have a wonderful summer!

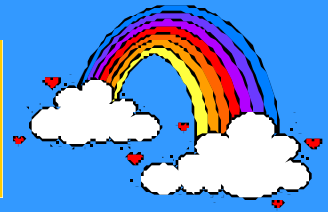

Valley Day Daily Schedule

700-900	Morning Day Care
900-920	Circle Time
